

**List of Publications**  
**Conor T. M<sup>c</sup>Lennan, Ph.D.**  
**August 1, 2011**

**Peer reviewed journal articles:**

*Student coauthor marked with \**

M<sup>c</sup>Lennan, C. T., Luce, P.A., & Charles-Luce, J. (2003). Representation of lexical form. *Journal of Experimental Psychology: Learning, Memory, and Cognition*, 29, 539-553.

M<sup>c</sup>Lennan, C. T. & Luce, P. A. (2005). Examining the time course of indexical specificity effects in spoken word recognition. *Journal of Experimental Psychology: Learning, Memory, and Cognition*, 31, 306-321.

M<sup>c</sup>Lennan, C. T., Luce, P. A., & Charles-Luce, J. (2005). Representation of lexical form: Evidence from studies of sublexical ambiguity. *Journal of Experimental Psychology: Human Perception and Performance*, 31, 1308-1314.

M<sup>c</sup>Lennan, C. T. (2006). The time course of variability effects in the perception of spoken language: Changes across the lifespan. *Language and Speech*, 49, 113-125.

González, J. & M<sup>c</sup>Lennan, C. T. (2007). Hemispheric differences in indexical specificity effects in spoken word recognition. *Journal of Experimental Psychology: Human Perception and Performance*, 33, 410-424.

González, J. & M<sup>c</sup>Lennan, C. T. (2009). Hemispheric differences in the recognition of environmental sounds. *Psychological Science*, 20, 887-894.

Lambert, B.L., Dickey, L.W., Fisher, W.M., Gibbons, R.D. Lin, S., Luce, P.A., M<sup>c</sup>Lennan, C.T., Senders, J.W., Yu, C.T. (2010). Listen carefully: The risk of error in spoken medication orders. *Social Science and Medicine*, 70, 1599-1608.

González, J., Cervera-Crespo, T., & M<sup>c</sup>Lennan, C. T. (2010). Hemispheric differences in specificity effects in talker identification. *Attention, Perception, and Psychophysics*, 72, 2265-2273.

Markis\*, T. A. & M<sup>c</sup>Lennan, C. T. (2011). The effect of priming a thin ideal on the subsequent perception of conceptually related body image. Manuscript accepted for publication in *Body Image: An International Journal of Research*.

**Book chapters:**

- Luce, P. A., M<sup>c</sup>Lennan, C. T., & Charles-Luce, J. (2003). Abstractness and specificity in spoken word recognition: Indexical and allophonic variability in long-term repetition priming. In Bowers, J. & Marsolek, C. (Eds.), *Rethinking implicit memory*, pp. 197-214. Oxford: Oxford University Press.
- Luce, P. A. & M<sup>c</sup>Lennan, C. T. (2005). Spoken word recognition: The challenge of variation. In Pisoni, D. B. & Remez, R. E. (Eds.), *Handbook of Speech Perception*, pp. 591-609. Malden, MA: Blackwell.

**Proceedings:** (Select first author)

- M<sup>c</sup>Lennan, C. T., Luce, P. A., & Charles-Luce, J. (2003). Representational specificity of lexical form in the perception of spoken words. Proceedings of the 15<sup>th</sup> International Congress of Phonetic Sciences, Barcelona, Spain.
- M<sup>c</sup>Lennan, C. T. (2007). Challenges facing a complementary-systems approach to abstract and episodic speech perception. Proceedings of the 16<sup>th</sup> International Congress of Phonetic Sciences, 67-70, Saarbrücken, Germany.

**Invited Talks:** (Select first author)

- M<sup>c</sup>Lennan, C. T. (2000) Lexical perception: Representations and processes. Lectured for members of the Speech and Hearing Association of Western New York (SHAWNY), Buffalo, New York.
- M<sup>c</sup>Lennan, C. T. (2006). Representation of lexical form. University of California, Los Angeles, Department of Linguistics Colloquium, Los Angeles, California.
- M<sup>c</sup>Lennan, C. T. (2009). *The role of language in medication errors*. Presented at "Cleveland State University's College of Education and Human Services Sixth Annual Partnership Conference: Health Across the Life Span: Mind, Body and Spirit", Independence, Ohio.
- M<sup>c</sup>Lennan, C. T. (2011). *Variability effects in spoken word recognition*. Presented at the University of Pittsburg, Pittsburg, Pennsylvania.
- M<sup>c</sup>Lennan, C. T. (2011). *Examining the role of variability during listeners' online perception of spoken words*. Presented at the Northeast Ohio Medical University (NEOMED), Rootstown, Ohio.

**Conference Papers, Presentations, and Posters:** (*Select since 2008*)  
*Student coauthors are marked with \**

Bronder\*, E. C. & M<sup>c</sup>Lennan, C. T. (2008). Examining talker variability effects in older adults' perception of spoken words. Presented at the Gerontological Society of America, National Harbor, MD.

González, J. & M<sup>c</sup>Lennan, C.T. (2008). Efecto específico del hablante en el reconocimiento auditivo de palabras con acento extranjero. Presented at the VII Congreso de la Sociedad Español de Psicología Experimental, España.

M<sup>c</sup>Lennan, C.T. (2008). Alternative data analysis techniques when using the eye-tracking paradigm to investigate spoken word recognition. Presented at the Acoustical Society of America, Miami, Florida.

Wilson\*, M. L., M<sup>c</sup>Lennan, C. T. & González, J. (2009). Examining talker effects in bilingual listeners' perception of spoken words. Presented at the Psychonomic Society, Boston, Massachusetts.

M<sup>c</sup>Lennan, C. T., Wilson\*, M. L. & González, J. (2010). Examining the role of talker-specific details in bilingual listeners' perception of spoken words. Presented at the Acoustical Society of America, Cancun, Mexico.

Wilson\*, M. L. & M<sup>c</sup>Lennan, C. T. (2010). Examining variation in emotional tone of voice on listeners' perception of spoken words. Presented at the Psychonomic Society, St. Louis, Missouri.

Newell\*, J. L. & M<sup>c</sup>Lennan, C. T. (2011). Social factors and listeners' sensitivity to talker-specific information during online spoken word recognition. Poster presentation at Cleveland Psychological Association, Cleveland, Ohio
