Miller, D. B. (2009). The provenance and control of behavior: Simplistic answers are doomed to fail. *Ecological Psychology*, 21, 131-137.

Miller, D. B. (2007). From nature to nurture, and back again. *Developmental Psychobiology*, 49, 770-779.

Miller, D. B. (2007). Nature's call and experiential nonlinearities. *European Journal of Developmental Science*, 1, 165-171.

Wagman, J. B., & Miller, D. B. (2003). Nested reciprocities: The organism–environment system in perception–action and development. *Developmental Psychobiology*, 42, 317-334.

Miller, D. B. (1997). The effects of nonobvious forms of experience on the development of instinctive behavior. In: C. Dent-Read & P. Zukow-Goldring (Eds.), *Evolving Explanations of Development: Ecological Approaches to Organism-Environment Systems*. Washington, D.C.: American Psychological Association, 457-507.

Miller, D. B. (1994). Social context affects the ontogeny of instinctive behaviour. *Animal Behaviour*, 48, 627-634.

Miller, D. B., Hicinbothom, G., & Blaich, C. F. (1990). Alarm call responsivity of mallard ducklings: Multiple pathways in behavioural development. *Animal Behaviour*, 39, 1207-1212.

Miller, D. B. (1988). The development of instinctive behavior: An epigenetic and ecological approach. In E. M. Blass (Ed.), *Handbook of Behavioral Neurobiology*, Vol. 9: *Developmental Psychobiology and Behavioral Ecology*. New York: Plenum Press, 415-444.

Miller, D. B. (1988). The nature-nurture issue: Lessons from the Pillsbury doughboy. *Teaching of Psychology*, 15, 147-149.

Miller, D. B. (1981). Conceptual strategies in behavioral development: Normal development and plasticity. In: K. Immelmann, G. W. Barlow, L. Petrinovich, & M. Main (Eds.), *Behavioral Development. The Bielefeld Interdisciplinary Project*. Cambridge: Cambridge University Press, 58-82.

Miller, D. B. (1980). Maternal vocal control of behavioral inhibition in mallard ducklings (*Anas platyrhynchos*). *Journal of Comparative and Physiological Psychology*, 94, 606-623.

Miller, D. B. (1979). Long-term recognition of father's song by female zebra finches. *Nature*, 280, 389-391.

Miller, D. B., & Gottlieb, G. (1978). Maternal vocalizations of mallard ducks (*Anas platyrhynchos*). *Animal Behaviour*, 26, 1178-1194.

Miller, D. B. (1977). Social displays of mallard ducks (*Anas platyrhynchos*): Effects of domestication. *Journal of Comparative and Physiological Psychology*, 91, 221-232.

Miller, D. B. (1977). Roles of naturalistic observation in comparative psychology. *American Psychologist*, 32, 211-219.
