

Publications: Journals, Chapters, and Books

1. Squire, L. R. (1966). Transfer of habituation using spreading depression. *Psychonomic Science*, 5, 261-262.
2. Squire, L. R. & Liss, P.H. (1968). Control of memory with spreading cortical depression: A critique of stimulus control. *Psychological Review*, 75, 346-352.
3. Squire, L. R. (1969). Effects of pretrial and posttrial administration of cholinergic and anticholinergic drugs on spontaneous alternation. *Journal of Comparative and Physiological Psychology*, 69, 69-75.
4. Squire, L. R. & Barondes, S. H. (1970). Actinomycin-D: Effects on memory at different times after brief training. *Nature*, 225, 649-650.
5. Squire, L. R. (1970). Physostigmine: Effects on retention at different times after brief training. *Psychonomic Society*, 19: 49-50.
6. Squire, L. R., Geller, A., & Jarvik, M. E. (1970). Habituation and activity as affected by cycloheximide. *Communications in Behavioral Biology*, A5, 249-254.
7. Squire, L. R., Glick, S. D., & Goldfarb, J. (1971). Relearning at different times after training as affected by centrally and peripherally acting cholinergic drugs in the mouse. *Journal of Comparative and Physiological Psychology*, 74, 41-45.
8. Segal, D. S., Squire, L. R. & Barondes, S.H. (1971). Cycloheximide: Its effects on activity are dissociable from its effects on memory. *Science*, 172, 82-84.
9. Squire, L. R. (1971). Book review of Ungar, G. Molecular Mechanisms in memory and learning. *American Scientist*, 59, 499.
10. Squire, L. R. & Barondes, S. H. (1972). Inhibitors of cerebral protein or RNA synthesis and memory. In J. Gaito (Ed.), *Macromolecules and Behavior, 2nd Edition* (pp. 61-82). New York: Appleton-Century-Crofts.
11. Barondes, S. H. & Squire, L. R. (1972). Slow biological processes and "recovery" of memory. In J. McGaugh (Ed.), *The Chemistry, Motivation, and Memory of Moods* (pp. 207-215). New York: Plenum Press.
12. Barondes, S .H. & Squire, L. R. (1972). Time and the biology of memory. In G. Tindall (Ed.), *Clinical Neurosurgery* (pp. 381-395). Baltimore: Waverly Press.

13. Squire, L. R. & Barondes, S. H. (1972). Variable decay of memory and its recovery in cycloheximide-treated mice. *Proceedings of the National Academy of Sciences, U. S. A.*, *69*, 1416-1420.
14. Squire, L. R., Smith, G. A. & Barondes, S. H. (1973). Cycloheximide affects memory within minutes after the onset of training. *Nature*, *242*, 201-202.
15. Squire, L. R. & Barondes, S. H. (1973). Memory impairment during prolonged training in mice given inhibitors of cerebral protein synthesis. *Brain Research*, *56*, 215-225.
16. Squire, L. R. & Barondes, S. H. (1974). Anisomycin, like other inhibitors of cerebral protein synthesis, impairs "long-term" memory of a discrimination task. *Brain Research*, *66*, 301-308.
17. Squire, L. R. (1974). Amnesia for remote events following electroconvulsive therapy. *Behavioral Biology*, *12*, 119-125.
18. Squire, L. R. (1974). Remote memory as affected by aging. *Neuropsychologia*, *12*, 429-435.
19. Squire, L. R. & Miller, P. L. (1974). Diminution of anterograde amnesia following electroconvulsive therapy. *British Journal of Psychiatry*, 490-495.
20. Squire, L. R., Kuczenski, R., & Barondes, S. H. (1974). Tyrosine hydroxylase inhibition by cycloheximide or anisomycin is not responsible for their amnesic effect. *Brain Research*, *82*, 241-248.
21. Squire, L. R. (1975). A stable impairment in remote memory following electroconvulsive therapy *Neuropsychologia*, *13*, 51-58.
22. Squire, L. R. (1975). Short-term memory as a biological entity. In: J. A. Deutsch & D. Deutsch (Eds.), *Short-term Memory* (pp. 1-40). New York: Academic Press.
23. Squire, L. R. & Slater, P.C. (1975). Forgetting in very long-term memory as assessed by an improved questionnaire technique. *Journal of Experimental Psychology: Human Learning and Memory*, *104*, 50-54.
24. Squire, L. R. & Davis, H. P. (1975). Cerebral protein synthesis inhibition and discrimination training: Effects of extent and duration of inhibition. *Behavioral Biology*, 49-57.
25. Squire, L. R., Chace, P. M. & Slater, P.C. (1975). Assessment of memory for remote events. *Psychological Reports*, *37*, 223-234.

26. Squire, L. R. & Chace, P. M. (1975). Memory functions six to nine months after electroconvulsive therapy. *Archives of General Psychiatry*, *32*, 1557-1564.
27. Squire, L. R. & Becker, C. K. (1975). Inhibition of cerebral protein synthesis impairs long-term habituation. *Brain Research*, *97*, 367-372.
28. Squire, L. R., Slater, P. C., & Chace, P. M. (1975). Retrograde amnesia: Temporal gradient in very long-term memory following electroconvulsive therapy. *Science*, *187*, 77-79.
29. Squire, L. R., Emanuel, C. A., Davis, H. O., & Deutsch, J. A. (1975). Inhibitors of cerebral protein synthesis: Dissociation of aversive and amnesic effects. *Behavioral Biology*, *14*, 335-341.
30. Squire, L. R. (1976). Pharmacology of learning and memory. In S. D. Glick & J. Goldfarb (Eds.), *Behavioral Pharmacology* (pp. 295-321). St. Louis, MO: C.V. Mosby Co.
31. Squire, L. R. (1976). Amnesia and the biology of memory. In W. B. Essman & L. Valzelli (Eds.), *Current Developments in Psychopharmacology, Vol. 3*, New York: Spectrum
32. Squire, L. R., Chace, P. M., & Slater, P. C. (1976). Retrograde amnesia following electroconvulsive therapy. *Nature*, *260*, 775-777.
33. Davis, H. P., Spanis, C. W., & Squire, L. R. (1976). Inhibition of cerebral protein synthesis: Performance at different times after passive avoidance training. *Pharmacology, Biochemistry, and Behavior*, *4*, 13-16.
34. Squire, L. R., Slater, P. C., & Chace, P. M. (1976). Anterograde amnesia following electroconvulsive therapy: No evidence for state-dependent learning. *Behavioral Biology*, *17*, 31-41.
35. Squire, L. R. & Barondes, S. H. (1976). Amnesic effect of cycloheximide not due to depletion of a constitutive brain protein with short half-life. *Brain Research*, *103*, 183-189.
36. Squire, L. R., Slater, P. C., & Chace, P. M. (1976). Reactivation of recent or remote memory before electroconvulsive therapy does not produce retrograde amnesia. *Behavioral Biology*, *18*, 335-343.
37. Squire, L. R., St. John, S., & Davis, H. P. Inhibitors of protein synthesis and memory: Dissociation of amnesic effects and effects of adrenal steroidogenesis. *Brain Research*, *112*, 200-206.
38. Ignelzi, R. J. & Squire, L. R. (1976). Recovery from anterograde and retrograde amnesia following percutaneous drainage of a cystic craniopharyngioma. *Journal of Neurology, Neurosurgery, and Psychiatry*, *39*, 1231-1236.

39. Squire, L. R. (1977). Electroconvulsive therapy and memory loss. *American Journal of Psychiatry*, *134*, 997-1001.
40. Squire, L. R. & Slater, P. C. (1977). Remote memory in chronic anterograde amnesia. *Behavioral Biology*, *20*, 398-403.
